# Are you still selling Writers-in-Residence and Readers-in-Residence?

Apologia will no longer be publishing the Writers-in-Residence or Readers-in-Residence curriculum. The author, Debra Bell, is the best source for information for future plans. You can join her Writers-in-Residence Facebook group at <https://www.facebook.com/groups/WritersInResidence> (also for Readers-in-Residence) where she interacts with customers or visit her website at [www.DebraBell.com](http://www.DebraBell.com)
