

# Chemistry

## How do I acquire alternate tests offered for junior high and high school sciences?

For our junior high and most of our high school science courses, we offer tests that have a different format than the ones contained in the solutions manuals. To acquire these tests, simply call our office at (888) 524-4724 or email [customerservice@apologia.com](mailto:customerservice@apologia.com) and request them.

Unique solution ID: #1064
