## Advanced Biology 2nd Edition Errata files.

This page contains the errata files for Exploring Creation with Advanced Biology, 2nd Edition.

This course was published in 2013 and now has several printings. Please see the publications page in the front of each book for the correct printing. The printing number will be listed one of two ways: "1st printing, February 2019" or "10 9 8 7 6 5 4 3 2 1." If your textbook resembles the latter, the last number listed is your textbook's printing number.

### Textbook: Updated November 2019

[1st and 2nd Printings](#)

[3rd and 4th Printings](#)

[5th Printing](#)

[6th Printing](#)
